Together we make a Difference

Our School

Our outstanding staff create a safe, caring learning environment under the philosophy of “together we make a difference”. Our school is committed to academic excellence and focuses strongly on numeracy and literacy at all grade levels.

Through Character Education, we work hard to maintain a kind and respectful school culture. Supporting the growth and development of global citizens in a global community, we focus on student leadership and are involved in various community service events like the Gibbons Food Bank and Christmas Bureau.
